The Plix Story

A Journey of Passion & Purpose - The Birth of 'Plix'

At Plix, we're all about blending the best of nature with modern science, redefining wellness & skincare. It is like a fusion between nature's 'Plant' & the 'Fix' from science. Born from this fusion, our name embodies plant goodness for radiant skin & a healthy life. We are dedicated to making wellness & skincare a more enjoyable & approachable lifestyle for everyone.

Who are we?

Nurturing Your Wellness Journey

Plix offers clean, effective vegan products, free from harmful ingredients, ensuring well-being & healthy skin. No junk, just real results without the fuss. We're here to support your journey, offering free expert consultations, personalized diet plans & tailored skincare guidance with every order. Let's blend wellness & skincare seamlessly, making it a deliciously enjoyable experience together!

Meet the founders

Rishubh Satiya & Akash Zaveri

We're driven by a passion for well-being & a love for life's vibrant flavors. Our mission is to share the goodness of plant-based wellness with skincare in an enjoyable way that nurtures both well-being & healthy skin. We believe that self-care should be a delectable journey, embracing skincare as an integral part of nurturing oneself.

A stylized illustration of a pomegranate on a red background. The pomegranate is depicted with thick, layered outlines in shades of pink and yellow. The top part shows the crown of the fruit, and the bottom part shows the rounded body. Several green leaves and small pink seed-like shapes are scattered around the main fruit. The text 'Pomegranate Range' is written in a bold, white, italicized sans-serif font, positioned to the left of the pomegranate's body.

The background of the image is a solid pink color. It is decorated with several stylized watermelon slices. The slices are depicted with a bright red interior, a thin white rind, and a green outer rind with dark green wavy stripes. Some slices are shown from a top-down perspective, while others are shown from a side-on perspective, creating a sense of depth and variety. The slices are scattered across the frame, with some overlapping.

The background of the entire image is a light pink color. It is populated with numerous dark brown, teardrop-shaped flaxseeds. Each seed is rendered with a dark brown outline and a lighter brown, glossy interior, featuring a thin, curved yellowish-gold highlight that gives them a three-dimensional appearance. The seeds are scattered across the frame, with some partially cut off by the edges.
